ACKNOWLEDGEMENT

The journey which started 4 years ago has culminated....as I step into the world a series of people flash in my memory without whose support and good will this journey wouldn't have been easy and free flowing.

To start with, my first and foremost gratitude is towards the almighty GOD for his blessings. Then I would like to thank all my faculty members who have supported and guided me all these memorable 4 years.

I would like to thank my thesis coordinator Ar. SHAILESH YADAV who left no stone unturned to shape our thesis in the best possible way and also for his untimely help whenever required. Next in list is my thesis guide Ar. SATYAM SRIVASTAVA who has been extremely co-operative since the very beginning and who helped me to utilize my skills and creativity to the utmost.

I would further like to show my gratitude to my family members, for giving full assistance whenever required and being there with me in all ups and downs. Their motivation and support helped me to be more dedicated and inclined towards my goal.

Last but not the least all friends and love one who give their all kind of support and concern.

I have put in my best of efforts and worked day and night to make this project a success .hope u too will appreciate my endeavor.

I wish to dedicate this work to my love ones who are always their in my heart.

THANKING YOU...

CHAPTER-1

INTRODUCTION

WHAT IS BANQUET AND RESTAURANT?

INTRODUCTION

Banquet is a large catering activity department where food & beverage are served for pre-arranged number of peoples on pre-fixed date & time agreed menu & price. Banquet is a place where many guest having their Food and Beverage together. You can say Banquet is a proper place of party.

A restaurant prepares and serves food, drink and dessert to customers in return for money. Meals are generally served and eaten on premises, but many restaurants also offer take-away and home delivery services. Restaurants vary greatly in appearance and offerings, including a wide variety of the main chef's cuisines and service.

TOPIC - RESTAURANT CUM BANQUET

NEED OF TOPIC

Setting up Banquet cum Restaurant can be an excellent opportunity to expand our business and learn new tricks for a smooth, successful meal service. Each banquet setup involves planning and preparation.

Towards providing a satisfying customer experience that includes enjoyable food and a relaxing atmosphere as a theme based restaurant. It also attracts to the atmosphere and its ambiance. Both of which leave a huge impression on their overall dining experience. The right atmosphere leaves guests feeling overall relaxed throughout their meal and lends itself to generating rapport amongst customers.

AIM AND OBJECTIVE

The general objectives are those for which the company exists. Every Restaurant cum Banquet should focus on having several general objectives in relation to four important factors:

- Food,
- Service,
- Benefit and
- Longevity.

SCOPE

More and more restaurants cum banquet are flourishing as they recognize their revenue generating potential.

Now a days more people are looking for private dinning as well as organizing family functions for hassle free services provided by such set-up.

By setting up restaurant cum banquet you increase the overall customer experience and give diners something unique.
